

A technical drawing of a CPU 511 component. It features a central white rectangular area labeled "CPU 511" in a bold, sans-serif font. This central area is surrounded by a thick, textured, irregular border that resembles a metal casing or a specialized material. The border has a complex shape with rounded corners and a small, curved black line near the top left. An arrow points to the right along the top edge of the border, indicating a direction of flow or assembly. The entire component is shown at a slight angle, giving it a three-dimensional appearance.
